

FYNARTS HERMANUS

10 – 20 JUNE 2021

CELEBRATING THE ARTS

WELCOME TO THE 9TH FYNARTS FESTIVAL

With limited international travel opportunities from South Africa, FynArts is pleased to open the borders and bring the art of some distant parts of the world home to you.

We hope you will enjoy and find it enriching to engage with the arts and culture of Russia, Japan, India, and, of course, South Africa through concerts and performances, interviews and presentations, demonstrations and tastings and workshops.

Presenting a festival of this nature and during these times would be impossible without the supporters from our Advisory Board, Management and many other volunteers.

We are deeply grateful to our sponsors, Patrons, Lifetime and Annual Friends for their backing and encouragement – especially for this year's festival. The full list of supporters is on hermanusfynarts.co.za.

We also extend our heartfelt thanks to the artists and presenters at this year's festival as well as to all the festival goers.

It is through the combined support of you all that FynArts continues to emerge as a diverse, colourful and significant multi-disciplinary arts festival in the Overberg – as resilient as the fynbos that covers our mountain slopes.

We look forward to welcoming you to the festival and wish you a memorable, uplifting and fun-filled 'international' FynArts 2021.
